1. When you go to the site, in the upper right is a button called **Shop Naeir** – click this button. You're not 'really' shopping but rather you'll be able to see everything that is available in ALL of the catalogs.

2. There are two ways to search for items on the left-hand side:

Catalogs OR Categories

3. Fill out the attached excel document/order form and send it back to me. I'll place the order for you. Turnaround time is usually 7-10 days.

4. **NOTE:** BIG BOOK catalog items – orders are placed one time, as a group.

5. Items found in any other catalog – Specials, Best Values, Clearance, Overstock, etc. can be ordered online at any time. I'll place these orders on Thursday afternoons.
